TRILLIUM

SWEET WHITE WINE

One of the most recognized labels in our portfolio, Trillium is a heavily awarded wine. Produced for the first time in 1985, it continues to be very popular. This wine has the perfect semi-dry finish with bright flavors of peaches and apricots produced by the dominate presence of Riesling in the blend. Trillium is a versatile wine, which makes it perfect to pair with a large variety of cuisine but also pleasant enough to enjoy without the need for food.

NOSE

Peaches, apricots, and a light scent of orange rind.

PALATE

Bright nectarines and tangerines tantalize your taste buds. A sweet Riesling based blend, Trillium will please the consumer who wants a glass of crisp sweet white wine. A nice full mid-palate is complemented by great acidity on the finish making this wine ideal to pair with a variety of cuisine. Slightly spicy Asian cuisine, a number of seafood dishes, or a simple picnic of cheese and bread will only be enhanced by adding a chilled glass of Trillium.
